GARBAGE PROBLEM IS SOLVED

SUFFICATION CAUSE DEATH IS VERDICT AT THE INQUEST

The jury at the inquest held last evening by Coroner Charles F. Donnelly to inquire into the cause of death of the three year old boy, Donald Douglas Delaney, who lost his life in a fire Sunday afternoon at Twenty second and Bissell avenues, the jury returned a verdict that death was due to suffocation.

The jury recommended that the coroner confer with the chief of the fire department and see if arrangements could not be made by which the telephone 1-2-3 could be used exclusively for the receiving of calls in cases of fire.

Funeral services for the boy will be held from the Wilson and Donnelly chapel at 2 o'clock this afternoon, the Rev. Paul Little officiating. Interment will be in Sunset View cemetery.

Not until the fire had been nearly extinguished did the stricken parents learn that the child had been trapped inside. Throughout the height of the conflagration the neighbors persisted in the belief the child was outside the house, with which they sought to allay the fears of the Delaneys.

The little boy was left playing in the yard with his sisters, Cecil, aged 11, Mabel, 9, and Bessie, 10, while their parents went a few blocks away. In the course of a few minutes during which the fire started, young Donald wandered away from his sisters, unnoticed. A crowd soon gathered upon noticing the smoke issuing from the dwelling, and efforts were made, by the firemen and others, including Donald's sister Cecil to enter the building in search of the boy. All were restrained from doing so by the intense heat and smoke.

Not until after the flames had been well extinguished could the firemen make their way in the bedroom and kitchen, where the fire started. At the foot of the bed they found the body of the child lying on the floor, horribly burned.

The origin of the fire is unknown. The house was almost completely destroyed. The high school gymnasium building nearby, a wooden structure, was fired by sparks from the burning building, but the flames were there put out before they made any headway.

AUXILIARY SUSPENSE
No meeting of the Mary B. Hamilton Auxiliary No. 17, U. S. W. V., will be held tonight, as a result of the organization's decision to hold no more meetings until August 2.

Grand Lodge of Elks Will Meet in July

Richmond will be represented by fully fifty or more members of the local Elks lodge at the fifty-seventh annual reunion of the grand lodge of Elks, which will be held in Los Angeles the week of July 11-17. The prominent members and officials, with a band and drill team from among the lodges of the bay cities, will leave for the southern city on July 7.

Elks from all over the country will swell the attendance record to 200,000 or more, it is confidently expected. The visitors will represent 1422 lodges of the order. A steamer has been chartered for the Washington and Oregon delegates, while special trains will bring the visitors and delegates from the larger cities of the country.

The Los Angeles lodge plans to make the entertainment of the reunion a success in every way, with a floral parade, a parade of the states, with the different states represented by floats, and an electrical parade, scheduled for the different nights of the convention.

Must Appear at Council to Get Permits

On account of so many complaints being received about the conduct of some of the so-called soft drink parlors in Richmond, applicants will have to appear in person before the council.

At the meeting last night, the matter was brought up by Councilwoman Marie L. Ogborn. She stated that the manner of applicants simply filing an application, and permits being granted without a thorough investigation should be changed. It was her idea that all applications should be filed two weeks before granted, and parties desiring such permits should appear before the council, and in this way it could be ascertained the character of the persons making the applications.

A motion was then made by Councilman W. L. Lane, which was adopted, putting into effect the suggestions of Mrs. Ogborn.

East Bay Gun Club Files Its Incorp. Articles

Articles of incorporation for the East Bay Gun club were filed in the office of the county clerk yesterday. The club is capitalized for \$5,000 and the following directors were named in the articles: C. E. Clark, L. W. Schroder, Tom Morgan, Zez Knott, Clinton Smith, George J. Dupey, Bert Curry and H. L. Carpenter. All of the stockholders are residents of Richmond.

"NOT GUILTY" IS PLEA MADE IN COURT BY L.J. BRADSHAW

Not guilty was the plea of Lester J. Bradshaw, charged with forgery, when he appeared before Superior Judge A. B. McKenzie yesterday afternoon to enter his plea. Bradshaw was returned to the county jail last week by Sheriff R. R. Veale from Sydney, Australia on a charge of forging the name of A. Nelson to a bank receipt while he was employed as a clerk in a Richmond bank.

While Bradshaw was in court his wife sat beside him. He will come up on Tuesday, July 5 to have the date for his trial set.

The interests of Bradshaw, are being taken care of by Pierce and Carlson.

New Councilman Will Take Seat At Next Meeting

At the next meeting of the council, that body will be re-organized, as John G. Gerlach who has served for the past six years, will retire, and his place will be taken by J. Harry Plate, who was recently elected.

At the meeting of the council last evening, which was the last one Mr. Gerlach will attend, there was a general leave taking.

Mayor J. N. Long, and Councilmen W. L. Lane and E. J. Garrard, made speeches telling of their association with Mr. Gerlach for the past six years, of the interest he had taken in the work of the city, and stating that his counsel would be missed in the future.

Mr. Gerlach replied by saying that during his term of office his whole aim had been to pursue a policy that was for the betterment of Richmond, and the people who resided here. He said he had always stood for what he believed to be right, even if he was the only one.

Initiation And Show To Be Put On at Elks Club

At a meeting of the Elks club tonight an initiation of new members will be held, and the show by the Shinola lodge will be staged for the entertainment of the members. Arrangements for the affair have been completed by a committee, of which Charles Donnelly is chairman, assisted by Charles Parker and Art Irwin.

To night's meeting will be practically the last weekly meeting before the recess taken by the lodge from July 5 to August 30.

SCAVANGERS WILL ENTER INTO A TEN YR. CONTRACT

By the recommendation of the garbage committee, councilmen Hartnett, Carey and Garrard, at the council meeting last evening, it is believed that a question that has been vexing the city authorities for the past several months, has been solved.

A ten year contract is to be entered into with the Richmond Scavenger company, and an ordinance is to be adopted, which will provide for the charges that can be made for the work. The first reading of the ordinance was given last night, and it will come up for final adoption at the next meeting.

For the exclusive contract, the scavenger company will pay the city \$50 a year for the first five years, and \$100 a year for the last five years of the contract.

By the arrangement that has been made the city will furnish a dumping ground, and it is agreed that if more suitable means of disposing of the garbage is found, that the scavengers will sell their outfit at an appraised value. The scavengers will put up a \$2500 bond.

Under the ordinance given its first reading it is made a misdemeanor for any other parties to haul away garbage, and it is also unlawful for garbage or rubbish to be burned within the fire limits.

The charge for collecting garbage for the outlying sections of the city is 50 cents a month, for one collection a week, and in other sections the charge is 35 cents a month. Each additional collection will be 35 cents per month.

Apartment houses, with one large receptacle will pay 25 cents per month per apartment or flat. Where there are separate receptacles the charge will be 35 cents a month for one collection a week, and additional collections will be five cents a month per apartment.

Public halls will have to pay 50 cents per month.

At all other places the charge is to be by agreement, and if there is a dispute, the matter is to be referred to the council.

Harmony Court Entertains In Matrons' Honor

A large number of the members of Harmony Court of the Amaranth were in attendance at the entertainment given in honor of the Associate Royal Matrons in Masonic hall last night. All enjoyed the splendid program, arrangements for which were made by Mrs. J. G. Gerlach and Mrs. Paul Dunlap.

After the entertainment was over, the members and guests partook of refreshments in the dining hall. The large horseshoe table was brightly arranged in red and white, red flowers being used to decorate it. This part of the evening's enjoyment was in the hands of an able committee headed by Mrs. Mollie Black, who had as her assistants Mrs. Amy Muggs and Mrs. Rose Marshall.

This is the last meeting of the present season for Harmony Court, as a recess will be taken during the month of July.

Trolley Wire Breaks, City in Darkness

Shortly after 8 o'clock last evening the entire city was thrown in darkness, for a short time.

A trolley wire at Sixteenth and Macdonald broke, and fell to the ground, causing the fuses in the sub station of the Pacific Gas & Electric company to blow out.

Unknown Fires Shot Through Lourie Window

Mrs. George Lourie of 1618 Clinton avenue reported to the police last evening, that when she returned after being absent during the day she discovered that some one had fired a shot through the window.

The bullet was found in the house. Just who is the guilty person has not yet been ascertained.

Mallory, chairman of the social committee, proved her artistry in the environmental line as well as a sympathy with things gone by in the creation of an old-fashioned country scene. The familiar, typical characters were all represented, such as the Bad Boy and the Village cut-up. Rare old-fashioned stick candy, fished from old-fashioned tins, and old-fashioned pranks.

CITY OF RICHMOND

THINKOGRAPHS by F. J. HULANISKI

BUSINESS MEN BAN FLAPPERS

The time has arrived when the sensible business men of the country will no longer stand for the silly foolishness of girls dress, as evidenced around their establishments, and henceforth, any young lady gaining employment has got to dress in a modest, becoming and sensible manner; otherwise she will not be employed. It is high time that not only business men but parents and teachers were putting a stop to the utter senseless and silly actions of young girls as to their mode of dress. Judging by the rule and what one sees in traveling around any large city, they are not all modesty, and it is only a step from that to losing virtue and decency as well. Go anywhere where there is a number of young city girls and actions are enough to disgust anybody with common sense. They sit cross-legged with their hair make, limbs showing above their knees; their waists are but flimsy gauze that shows their bodies and bosoms, and each has a vanity box from which she powders and paints in public, the while chewing gum like a cow chews a cud and giggling and talking almost exclusively about men. Out of such material good may come, but it is more apt to breed bad than good, and good housewives and mothers are not as a rule grown from the seed of immodesty, vanity, silliness, flippancy and rouge. We cannot imagine a young woman who is thinking about to attract attention to herself as so many in the city are. A young girl should hold most of her modesty in the most of her young nannies ought to be taught the essential knee and a number of simple slips applied to the only portion of their anatomy not on public exhibition. The Chicago business men have set the pace, the C. B. & Q. railroad city office is in line and the movement is spreading all over the country, to ban the flappers, the gigglers and the immodestly dressed, and to employ none in future who have not a little sense and a few clothes.

The guinea hen can't sing a note;
She has a cackle in her throat;
But she is like the average man;
He cannot sing but thinks he can.

What's this "original sin" we hear about? We don't believe there is any—it's all been done before.

Wonder when the government printing office will really conserve white paper by stopping its business of publications urging to conserve the use of white paper?

The future of one boy is of more importance than the appetite of a dozen old soaks.

When Prosperity was mounted, she let go the saddle, and soon came tumbling out of the saddle.

Some men are ruined by booze, others by women and still others by applause.

TAXATION WILL INCREASE

There is no one hiding ourselves about it, for the new administration to do the same, for there is no prospect whatever of taxes getting any lower for some years to come. On the contrary they will get higher. President Harding says he is much discouraged over his inability to bring about sweeping tax reductions, but believes the country will be reasonable and after the latest disappointment look the situation in the face. Well, if it don't the situation will look the public in the face, all right, so there you are. That the Democratic administration was unduly extravagant in increasing the taxation from one billion to five billions all acknowledge, but it was largely excused on account of the war and the conditions which which war brought about. Then came the campaign and the Republican politicians promised to do away with all that sort of thing, and reduce the taxation of the people. But politicians are politicians, whether they be Democratic, Republican or Mugwump, and they will as a rule promise any old thing to get votes, like papa and mamma promise baby to get it the pretty moon if it will only stop bawling. Men like Wilson and Harding knew well enough that under existing circumstances no material reduction of taxation could take place, so they did not say much about it. War cost the country billions, and the bonds and interest have to be met. The next thing on the program will be the soldiers' bonus bill. That will cost the country a billion dollars, and it is going to pass, and it ought to—we have simply got to stand it somehow. Retrenchment can be made in salaries and the lopping off of thousands of useless employees, and this will likely be done.

At 6:30 a. m. when one wants to get another nap before getting up, the neighbor's mowing machine sounds like the inside of a boiler factory.

We are not opposed to automobiles; we merely think that a young fellow with a wife and several kids needs a home before he needs an auto, and we opine, also, that the automobile is not quite so admirable an implement of death as a six-shot .38, bowie-knife or plain pipe.

A man's success may not be due to his wife, but she probably made him—made him do a lot of things he did not intend to do.

A shiftless man always expects too much of the government and too little of himself.

Opportunity may knock at your door, but if you are not in it is not going to chase all around town hunting for you in the near-beer joints.

A woman may not really prefer a cave man, but the one that makes a hit with her has got to know how to dig.

Delicate aeroplanes for the rich will be next, and common scrubs will have to get along with a couple of automobiles.

HAVE YOU A BAD BACK

If You Have, the Statement of this
Richmond Resident Will Inter-
est You.

Does your back ache, night and day?
Hinder work; destroy your rest?
Does it stab you through and
through
When you stoop or lift or bend?
Then your kidneys may be weak.
Of a backache is the clue,
Just to give you further proof.
The kidney action may be wrong.
If attention is not paid
More distress will soon appear.
Headaches, dizzy spells and nerves,
Acid and its ills
Make the burden worse and worse.
Painments and plasters can't
Reach the inward cause at all;
Help the kidneys—use the pills

Hobart Bosworth
in Thousand to One
At the Richmond

At the T. and D. today Hobart
Bosworth, hero of "Sea Wolf" fame
and enactor of strong masculine
roles that have made him one of the
screen's foremost exponents, will be
seen in "A Thousand to One." The
story is founded on Max Brand's
novel, "Fate's Hogmoon" and Bos-
worth has been surrounded with an
elite cast including Ethel Grey Terry,
Lauders Stevens, Gordon Russell,
Fred Kohler and a number of oth-
ers.

Imagine Bosworth as a rotter; But
it isn't for long, folks—this charac-
terization exists only for about two
reels when a terrific train wreck
brings this episode in the star's
screen life to an end and out of the
wreckage emerges the new man.
From this point onward the story
becomes absorbing. The character
development is superb, adding furth-
er laurels to Bosworth's histrionic
crowns. The production is as fault-
less as we have ever seen in an
outdoor production and there are
some interiors that make us wish to
see more of brawny Hobart Bos-
worth in dress clothes "putting on
the dog."

Ethel Grey Terry plays opposite
the star and gives a capable per-
formance as the girl who has been
tricked into marriage for the sake
of her fortune but who ultimately
finds love and happiness in the arms
of the star. Which you all will agree
is eminently proper and satisfac-

comedy and a scene
of the bill.

ARE YOU ASLEEP!!

DO YOU KNOW that The Record-Herald will, in a few short weeks, give away absolutely free the handsomest and most costly collection of prizes ever offered in this section of California—to be given away without a cent of cost simply as a little pleasant, easy effort?

DO YOU REALIZE that the grand capital prizes in this election—Two brand new 5 passenger touring cars, worth \$1824.75 and \$1190 respectively, each, represent more than the average head of a family earns in a year's time and more than most people save in a lifetime?

COULD YOU USE a purse of \$500 in gold—or one of the three \$100.00 bags? Or wouldn't a little pin money—20 per cent commission on every dollar you collect, if you fail to win one of the grand prizes come in handy?

CAN YOU IMAGINE an easier, quicker or more pleasant way to secure a nucleus for a home a vacation trio or start in business—than through the offer this newspaper is making?

THERE'S NO DENYING the fact that any one of the above mentioned prizes would be a source of pleasure and profit, and especially so when acquired solely through your spare time and effort, without one penny of cost.

DO YOU WANT one of the splendid Touring Cars or a big bag of gold, at the expense of The Record-Herald or would you prefer it to be cash—greenbacks, good old coin-of-the-realm?

DO YOU WANT one of these grand prizes? Well you can have any prize in the list if you will but grasp the opportunity and take immediate action and you can do it in just a few days of your spare time.

The Record-Herald is now being read by hundreds of people in Contra Costa County and surrounding territory, but there is no such thing as "good enough;" continual growth and expansion is wanted. To make this growth possible, the participation of live, energetic men and women 'married or single' is necessary. And in order to obtain the desired interest in this campaign, the most elaborate list of prizes ever offered by any newspaper in this section of the state has been made ready for distribution among those who participate most heartily.

Here is an opportunity, surely, for the man or woman who looks at a thing from a business standpoint and who arrives at a conclusion as to its merits by the way it appears to them as a business proposition. Some three persons will earn over \$300.00 a week during the next five weeks! How's that for a business proposition?

MEAT TENDER CURED
Oakland, Nov. 1, 1920. To whom it May Concern:
I suffered from throat trouble for 15 years, during which time I could neither eat nor swallow without pain. I became very weak and was unable to work for months. I had numerous doctors and then tried a Throat specialist, who told me that my trouble was due to the blood. He advised me to take blood medicine. Thereupon my brother, who had been cured of Stomach Trouble by the FONG WAN HERBS, urged me to try them. After drinking the herbs for 15 weeks, I felt entirely well. I have since gained 25 pounds. It is 10 months since I took the herbs, and I am now giving this testimonial to let the public know that any sufferer should try the FONG WAN HERBS. I am a watchman for the California Food Specialties Co.

resulted in the child's death. Funeral services were held Monday at 2 o'clock in the Brunser parlors and the burial took place at St. Catherine's cemetery.

Minor Business Transacted By City Council

In the course of the evening quite a bit of routine business was transacted by the council at its meeting last evening.

On the recommendation of Chief of Police Wood, Charles Ceridoni and R. P. Dunn were appointed as temporary members of the department to act while some of the officers were on their vacation.

Klink, Bean & Company, of San Francisco were employed to inspect the books of the city officers. The cost is to be \$300.

The application of the municipal band for a renewal of the \$2,000 donation for the coming year was referred to the board of equalization.

The West Side Improvement club asked that more seats be installed at the Point so that people could listen to the band concerts, with some comfort. Referred to the city manager.

Extensions of time were granted on street improvement contracts to Fred Meyers, and L. L. Page.

From the general fund to the compensation fund \$5,000 was ordered transferred.

Next Saturday all city employees, who will be able to leave their work will be granted a full holiday.
